Dear Ms. Meadows:

I am writing a letter of recommendation for Ron Arline of Madison Street Agency in regard to your Employee Benefit Program. Ron has managed our health insurance program including medical, dental, vision, and all of our ancillary benefits. We converted to a self-funded health plan approximately six years ago and I am very happy with our results. At the same time he recommended starting a wellness program in which all employees go through an annual health screening. I believe this has helped decrease our costs over this time. As a result, the City of Cairo has saved hundreds of thousands of dollars in claims and have actually had a rate decrease the last two years.

As the City Manager of Cairo I would recommend Ron and his team to handle your employee benefits. Feel free to contact me with any question you may have.

Sincerely,

Chris Addleton
City Manager
